Dear Mr. Lundy:

Thank you very much for your letter of 21 September inviting me to speak at the Annual Dinner meeting of the Good Cities - Iowa Post of the American Ordnance Association sometime during the last week in October or the first two weeks of November.

I sincerely regret that I will be unable to accept your kind invitation. In view of my present position, it is necessary for me to restrict my speaking engagements to the various government service schools with an infrequent outside address. Unfortunately, I cannot make an additional commitment at this time.

Your courtesy in asking me to join you on this particular occasion is indeed appreciated and I would like to take this opportunity to wish you every success in your meeting.

With kindest personal regards.

Sincerely,

Dear Mr. Dulles:

As President of the Quad Cities-Iowa Post of the American Ordnance Association which comprises 375 members from western Illinois and the entire state of Iowa, it is my responsibility this year to obtain a speaker for our Annual Dinner.

With the people in this area being most apathetic to international tensions and always wishing to do my part in the Defense program, I feel that this organization should do its bit to alert these people. Feeling that there is no one more qualified in the United States to corral the interest and speak more informatively than yourself, I wish to extend you an invitation to be the speaker at our Annual Dinner meeting.

This meeting will be held, as usual, at the Rock Island Arsenal in Rock Island, Illinois and the date is not material but it is hoped that you will accept and be able to fulfill this request during the last week in October or the first two weeks of November. Your consideration of this matter will be greatly appreciated.

Sincerely yours,

President
